### Detailed Itinerary

#### **Day 01: Lima / Iquitos / Heliconia Amazon River Lodge (L,D)**

You will be met and welcomed by our staff at the Luggage Claim area of the Iquitos Int'l Airport where our staff will assist you and transfer to our Office in Iquitos town proper. A briefing about our services, what to expect during your stay, the do's and don'ts in the jungle and some essential tips will be carried out shortly. Soon after, you will transfer to the Iquitos Port, where you will board one of our speedboats to take you to the Heliconia Amazon River Lodge along the Amazon River. During the boat ride observe the convergence of the brown turbid waters of the Amazon River with the dark waters of the Nanay River. Enjoy the impressive jungle landscapes with the rustic small houses of the riverside towns.

Then have a short stopover in Monkey Island, a family social enterprise focused on conserving and protecting endangered monkey species in the Northern Amazon. The goal is to enlighten rainforest guests on the effort to reintegrate monkeys and their survival in the wild. See the monkeys free in this reserve, not in cages, their temporary

stay here depends on their capability to adapt back to its jungle habitat. After a 90 minute boat ride arrive at the Lodge where our staff will welcome you with an exotic jungle drink. Next check-in and settling in your room, at your leisure, taste your first Amazonia cuisine lunch. In the afternoon, begin your first excursion: set out to a jungle hike into the Yanamono primary rainforest reserve, for approximately two hours accompanied by our expert guides. They will show you identify several flora species such as heliconia flowers, medicinal plants and giant trees. You will also have the chance to sight several birds species such as the Turkey Vulture (*Cathartes Aura*), Black Fronted Nanbird (*Monasa-Atia*), and with a little luck you will be able to view a family of small monkeys such as marmosets (*Saguinus Fusicollis*), the Titi (*Callicebus Mollock Mollock*) and the squirrel monkey (*Saimiri Boliviense*).

Return to the lodge for rest and relaxation and be enthralled by your first, must-not-miss Amazon Sunset. As the evening comes around, during high tide, take a boat ride along one of the Amazon River's tributaries for an exciting evening in the jungle, with no lights, perhaps just some jungle flora and fauna sparkling in the dark. You will have to trust your expert boat guide to take you where you can appreciate and listen to the magical sounds of the jungle. If it is a clear night, you will see the bright magnificent moonlight,

as well as observe the stars and constellations. With some luck you can also see some falling stars which are quite common in the area. Shortly, go back to the Lodge to rest and relax for an early wake up the next day.

## **Day 2: Heliconia Amazon River Lodge (B,L,D)**

Rise early for the Morning Bird Watching. In order to see the birds flocked together during their morning feeding time, you will start very early going by boat to one of the several streams (best on high tide) to look out for a number of variety of birds. You will be looking out for birds such as the Tuki (*Jacana Jacana*), Ringed Kingfisher (*Ceryle-Torquata*), Black-Collared Hawk (*Busarellus nigricollis*), among others. Thereafter, you will return to the lodge, for a scrumptious and energizing breakfast.

Take a little rest and then you will set off to a Native Fishing expedition unto one of the small tributaries of the Amazon River. Learn the local techniques of fishing and for the most daring you can try to fish for Piranhas. During this excursion you can also have the opportunity to look out for the Pink River Dolphin (*Inia Geoffrensis*). If you are lucky you have your catch cooked for lunch. Return to the Lodge for lunch and check-out. After lunch, you will be transfer to Iquitos.

Once you arrive to the city, you will be transfer to the Hotel of your selection, receiving a brief of the services and some advice about the attractions in the city. You will have time on your own, having the opportunity to continue the adventure visiting the Casa de Fierro, or Iron House, which was designed by Gustave Eiffel or the Malecón Tarapacá facing the Amazon River, lined with several exquisite 19th-century mansions, relics from the rubber heyday, lined with Portuguese glazed tiles, or azulejos. Overnight at the selected Hotel.
